

The Esri Account

You need an Esri Account in order to access the My Esri website (<http://my.esri.com>). This new platform replaces the Customer Care Portal and lets you manage all the aspects of your relation with esri.

Create your Esri Account

Go to <http://my.esri.com> to create your Esri Account. Choose the option 'Create an account' and insert your name and e-mail address. Click the 'Create an account' button and fill out the form. You will receive a confirmation e-mail from service@esri.com. Please click the included link in order to complete the process and to activate your Esri Account.
